

Chaperone Information for Frisco Fire Safety Town Visit

We are excited to welcome you to Frisco Fire Safety Town. Thank you in advance for your assistance. Below is some information to make your upcoming trip a successful visit.

- **A valid State Issued ID is required to enter our facility. Please plan to arrive no more than 15 minutes prior to the scheduled program time. The morning program starts at 9:30AM, and 12PM for the afternoon program.**
- Chaperones are essential- serving as small group leaders and/or safety monitors in Safety Town. Because our parent leaders will help facilitate some activities, we ask that **siblings not accompany you for the visit.**
- Outdoor activities; (Jeeps for Kindergarten and 1st grade; Bicycles for our older students) will take place as weather permits. You will serve as a safety monitor during the outdoor activities, there we recommend closed toe shoes and comfortable, weather appropriate clothes.
- We recommend PE attire for the children who visit Frisco Fire Safety Town on their study trip. Please consider the weather temperatures outside for the day and dress them accordingly. Closed toed shoes are recommended. Please, no sandals or flip flops.
- Frisco Fire Safety Town has created a unique concept in safety education. Therefore, other visitors may be observing or touring the facility while your child's class is present. Anyone not associated with your school will be accompanied by Frisco Fire personnel at all times and shall not have interaction with students.
- Candid photos of the students participating in class exercises may occur. They are intended to illustrate the type of safety education and hands-on activities Frisco Fire Safety Town provides. The photographs may appear on the Frisco Fire Safety Town website/FaceBook, City of Frisco cable channel or utilized in a variety of Safety Town materials. Upon your arrival, please let us know if your child should not be photographed during their visit.
