Dear Educators,

We are excited to welcome your class to Frisco Fire Safety Town for safety education. Our mission is **'to provide a hands-on, fun place where we teach children of all ages how to play it safe everywhere, everyday!'**

IMPORTANT INFORMATION ABOUT YOUR STUDY TRIP

- ❑ **-A valid State issued ID is now required of all non-school employees to enter our facility .**
- ❑ Outdoor activities (for Pedestrian Safety) will take place as ***weather permits***. (No ride time is included in this program)
- ❑ We recommend PE attire for the Frisco Fire Safety Town study trip; (i.e.: pants or shorts, tennis shoes, etc.)
- ❑ Please provide a copy of the **Chaperone Information Sheet** to each chaperone at least one day prior to your visit. The form is attached to your Pre-Visit information and can be accessed via our website: www.FriscoFireSafetyTown.com under the **Programs** tab.
- ❑ Because Frisco Fire Safety Town has created a unique concept in safety education, there may be other visitors observing or touring the site while your class is present. Anyone not associated with your school will be accompanied by Frisco Fire personnel at all times and shall not have interaction with students.
- ❑ Also, candid photos of your students participating in class exercises may occur; Upon your arrival, please let us know which students, if any, should not be photographed during their visit.

If you have any questions, please contact Frisco Fire Safety Town at 972-292-6350. Fax 972-292-6359

FRISCO FIRE SAFETY TOWN

LIFE SKILLS & SPECIAL EDUCATION PRESENTATION OVERVIEW

"Pedestrian, Severe Weather Safety, Home and Life Safety, and Fire Safety"

Class Times: 10am — 11:00 AM and Noon — 1PM

Please do not arrive more than 5 minutes early.

WELCOME & INTRODUCTION—

All students gather for introduction and begin guided tour

Pedestrian Safety - Outdoor Town

Students will learn proper pedestrian skills in our outdoor town by using pedestrian signs as well as crosswalks.

Severe Weather Safety— Safety House

Students will learn what severe weather is, what to do if severe weather is in your area, and about packing a disaster bag. A simulation may occur in which students can practice ducking and covering.

Home and Life Safety— Safety House and bathroom

Students will learn ways to stay safe at home and look for potential hazards (props) in the Safety House kitchen, bathroom, and bedroom.

Fire Safety- Smoke Bedroom

Students will learn what to do if there is a fire; including two exits out of every room and having an escape plan with a meeting place.

** Please let us know before your study trip if you have a student(s) in a wheelchair. We can plan an alternate activity in lieu of the upstairs bedroom.*

The above is the expected guideline for the activities planned for your study trip. However, please know that certain circumstances (such as weather or simultaneous classes) may dictate that we change the order of activities.
